

SCSKC December 2013

Training over Christmas

We will not be training at Mundeford Wood on the 29th December but will be training every other week during December/January. Always watch the diary on the web site for details!

Up-coming Events

The next kyu grading event at Salisbury is Sunday 9th March (pre-grading training Monday 24th Feb) but of course it is highly recommended to train (*and you may also grade for kyu or dan grades*) at the winter camp in Bournemouth. The winter camp is **the** ideal opportunity to train with the senior instructors and other club members and runs from 14th to 16th Feb in the centre of Bournemouth. Those of you who require 4-courses to qualify for dan grading will be delighted to know that attendance at a 3-day camp covers this. There will be no training at Mundeford on the 16th Feb as I shall be at the camp (and probably grading).

Membership

As you have noticed the club is a little top heavy (senior belts). This is not a bad thing as it is a great reflection on the hard work

you have all put in to progress through the kyu-grades but does mean that the club will require an injection of new members if it is to survive long-term. I shall be advertising over Christmas and the New Year, hoping to attract some of those who's new year's resolution involves getting fitter or just losing the pounds gained over Christmas. Please take one of the club posters and put it up in your school or bring along a friend.

Additional Training

I have been trying to fit in another training session in the week; those of you who wish to take your first dan grade should be training more than once a week (if not at a club, at home). Finding another day/time is proving difficult with my work schedule but I would like you to let me know if any of the following would be possible for you:
[A] Monday evenings
[B] Friday evenings
[C] Saturday mornings
Please let me know; the venue may likely be Bransgore Village Hall to encourage some attendance from new members in that

area. Please also let me know if Bransgore is a venue you can get to (travel).

Happy Christmas

Thank you for all your attendance, attention and hard work this year. We wish you a very Merry Christmas and a Happy (and hard training) New Year!

Licenses

Please ensure your licenses are up-to-date; in addition to being an association requirement this allows you to grade and also affords insurance. Note that the SSKA have raised the license fee from £26 to £28 – I have new forms available or these can be downloaded from the SSKA web-site.
